

An isometric line drawing of a computer system, likely a mainframe or early minicomputer. The drawing shows a large central unit with a horizontal slot, possibly for a tape drive or paper tape reader. To the right of this unit is a control panel with several rectangular buttons or switches. Below the main unit is a keyboard with a grid of keys. To the left of the main unit, there are several smaller components, including what looks like a power supply or a separate drive unit. The entire system is depicted in a clean, technical style with simple lines and no shading.

DEDICATED TO THE CLASS OF '62

A '62er is a hero to a freshman, a freshman to a college, Caesar with a state trophy, Mr. Bongo with a desk top, joy and tears with a diploma.

A '62er anxiously awaits the future, yet cannot resist a sentimental glance at the past. He thrills at the prospect of his new freedom, yet fears it. The world is his to conquer, and this he will do with his own individual talents.

In 1958, the '62ers and Rincon were both freshman; now they are seniors, and each will hold forever the memories of the past four years. The '62er is ready to begin his journey into the world, and Rincon will gather and share its memories with others.

In this yearbook are bound the memories of the '62ers. With this in mind, the staff dedicates this 1962 RAWHIDE to the class of 1962.

You are part of a school which has completed its fourth year of service to the Tucson eastside, four years of building and growing both for the institution and the students herein. For the seniors, the spring semester of 1962 has ended with a fond farewell to Rincon after four years of education here. Juniors, sophomores, and freshmen all move up one more notch now to fill vacated traditions.

We of the yearbook to this volume of the book would especially for this book

positions, and carry through with established staff felt the addition of a historical section serve to highlight the past four years of growth the freshmen of '58, now the seniors of '62, to whom has been dedicated.

IN THE BEGINNING . . . Rincon High School as an institution began in the planning stages in 1948 when a forty-acre tract of land was purchased for \$25,000. Architects Place and Place then designed a school that was modern, and above all, practical. Actual building began March 25, 1957, and Rincon was ready for occupancy by the fall semester of 1958.

Opening day found building and improving books to be bought, labs to be stocked with everything from

a Rincon which still left much to be done. On the inside, there were be equipped and educational departments to basketballs to classical literature.

Outside, there was grass to be planted and much landscaping to be done. In the next four years there would be an auditorium, greenhouse, stadium, girls' gym, and numerous other minor improvements to be built and installed on the campus.

and an esprit Rincon. There was be set by a faculty who interested in organizing a program for the new students.

Spiritually, there was the "Ranger Reputation" of excellence to be established, an emblem to be designed, de corps to be established by the students of a new educational standard to were all high-caliber

CONSTRUCTION MADE US the doors opened on September 3, 1958, physical improvement to be completed. The campus without the lush, green lawn that we of bricked buildings that more resembled a factory, were to be added later.

department, vocal music department, and instrumental music department. Minor improvements such as the addition of tennis courts, the construction of the track, and the development of landscaping continued until the major efforts were directed to the building of the auditorium, completed for use in January of this year, the greenhouse, available for the biology department in September of 1961, and the erection of the stadium, which was initiated this past fall.

The most important features of Rincon's construction are now visible facilities;

only the addition of a coker room, stadium and a swimming pool for the future. You have seen our growing phase and can now appreciate the versatile buildings in Tucson.

EDUCATIONAL OPPORTUNITIES WERE ADVANCED

Undoubtedly the largest amount of work was poured into the area that would reap the greatest benefits: that was the development of the educational facilities in every department. Just to name a few of the outstanding tasks which lay before each department before school opened, there was an entire science department to stock with all materials, research publications, and live specimens to be studied. The English department had to acquire teaching aids such as record movies, and research material for student use. The shops each had to be equipped with tools and materials to make possible the teaching of graphic arts, wood working, and welding. The music departments had to purchase uniforms and choir robes, music and instruments. And in the counselors' offices, plans for future education of Rincon graduates already in the making.

What have the early efforts of Rincon's dedicated faculty and administration produced? Results are quite evident when we find nearly every department represented nationally through its high scholastic accomplishment.

SCHOLARSHIP BREEDS SPIRIT . . . Up to this point, nothing has been said in words which explains the spirit of Rincon students. Actually, by what is said in the preceding paragraphs our spirit is evidenced. With an attractive campus and modern facilities, the morale of the student body is lifted by the brightness of a

But underlying the scholarly spirit is the school spirit which has prompted the design of an emblem, a school crest, an alma mater, and several school fight songs. You who have entered Rincon in any one of the past four years have witnessed the growth of more

traditions and have carried out perhaps subconsciously each established idea.

So what isn't marking the to date, the earliest will be leading the of Rincon High School

can be said in conclusion? This history section end of a long span of years. It has only brought up fragment of the history which is still to come. Many of you student body of 1965 — continue writing constructive pages in the history

What is Rincon? In Spanish, Rincon is a corner. The Rincon that we know is school at the corner of Swan Road and Fifth Street. It covers 40 acres of land. The 55,630 square feet of floor space contains: 55 classrooms, a language lab, 10 shops, 2 gyms, an auditorium, a greenhouse, a bookstore, 8 counselors' offices, an administration building, cafeteria, and stadium. The nurse's office, which is located in the administration building, pulls in 150 customers a week (which is 50 less than the counselors' office, which holds an average of 200 except at the "semester rush" when the figure doubles)

The glass portion of the school is so expensive that it took one man seven weeks to do the wash job when the school was newly completed. The maintenance staff takes care of the acres of grass which is watered from Rincon's own well

Eleven cafeteria employees prepare and serve 2800 doughnuts during the 17 minute snack breaks

The 1501 desks of the classrooms are occupied by students putting in 20,130 student learning hours each day. In addition to countless hours of preparation teachers work 960 lecture and lab hours

Two complete days of school run each day from 6:00 A.M. until 12:00 noon and from 12:15 until 6:15 P.M. using a total of \$60.50 worth of gas and electricity per day

Statistics may be drab, but Rincon is everything and then some to 3355 Rangers

The lovely campus shots on this page, taken by Mr. Gordon Russell, portray a growing legacy written in the pages of Rincon history. At the top left is pictured the recently named "Senior Patio" which will remain as a reserved section of the campus for seniors and underclassmen as well. This beautiful and functional patio will be the scene of many parties, dances, and leisure hours of study under clear Tucson skies.

Our distinctive auditorium will house not only large lecture classes and student body assemblies, but also performances by student and adult talent on subjects varying from Beethoven to Shakespeare and Woodie Guthrie to Jim LaRue

Rangers will fill the bleacher ranks to cheer for award winning teams who will sweep state honors in every division of athletics. Our heroes of today will become the greats of every vocation field as we predict the continuing success of such people as Leslie Bell, Dan Schneider, and Paula Welch

You may wonder why this volume of the yearbook has played up so strongly the scenes from the Rincon campus; the reason is quite obvious. Throughout every shot in the book, there is a memory of past experience and a foretelling of future achievement. The buildings of our campus represent scholarly achievement through knowledge of English, math, and science and success through athletics, industrial skill, and artistic creativity through art, music, and drama. When you graduate, Rincon will deserve a large part of your thanks for the many new avenues of life opened to you

ADMINISTRATION AND FACULTY

PRINCIPAL'S MESSAGE

It is most fitting that this yearbook be dedicated to the class of 1962, our first graduating class to have spent all four years at Rincon. This class has shown outstanding leadership and has established standards of excellence which all future classes may well emulate.

Led by the class of 1962, our students have won statewide, and even national, recognition for academic achievement, as well as for excellence in many other school activities. The entire student body has worked for and benefited from these successes, leading to a unity and loyalty seldom found in so large a school. It has been a wonderful experience to work with all of you and, in the future, it will be a pleasure to review this year through the pages of this yearbook.

As it leaves Rincon High School, the class of 1962 has the best wishes of us all. We are certain that the devotion of this class to a tradition of excellence will lead its members into worthy and successful futures.

Stanley R. S. Hayle

DEANS

Mr. Richard Paver

Mr. Howard Leigh

Good citizenship and high standards are two goals toward which our deans strive to guide all Rincon students. The deans are always ready and willing to assist students in any way they can.

Some of the special duties of these busy people are supervising interscholastic activities and school social functions. They also direct the counseling and guidance program. One important phase of their job is caring for the permanent student records and checking student attendance.

Mr. Leo Johnson

Mrs. Elizabeth Lange

SCHOOL BOARD

Members of the School Board this year are from left to right Dr. William J. Foster, Mrs. John

Lyons, Dr. Delbert L. Secrist, Mr. Norval W. Jasper and Mr. Jacob C. Frutthendier.

COUNSELORS

Howard Avery

Edith Johnston

Eight counselors assist over 3,500 Rincon High students in three major areas of counseling: educational, vocational, and personal. To help the student meet graduation requirements is the aim of educational counseling. In this area, the counselors are aided by an extensive library of college catalogues. Vocational counseling includes helping the student decide on a profession, job or vocation. The counselors are able to give aid in the area of personal counseling by advising the student in new situations and in his relationships with other people.

Our counselors are specially trained and highly qualified in the area of counseling. Each one of them is ready and willing to help students in need of their services.

Chairman of the Boys' Physical Education Department, Lee Carey, guides the total program of the department. The primary aim of the department is to build strong bodies and encourage leadership. The development of skills and the improvement of physical fitness are a part of the total development of the individual. The program offers a wide variety of activities which help to reach these goals

HOMEMAKING DEPARTMENT

Rincon's three homemaking teachers Mary Robinson, Marjorie Dunbar, and Cornelia Lytle, use the modern equipment in the Homemaking Department to instruct Rincon students in various phases of home management.

Four years of Home Economics are offered and students are given a wide range of valuable experiences in labs and home projects.

DRIVER EDUCATION DEPARTMENT

Driver Education is a course designed to further citizenship and an awareness of civic responsibility. Mr. Richard King and Mr. Oscar Carillo are the teachers in this department. In the classroom, as well as behind the wheel, they teach proper driving attitudes and care of the automobile.

LIBRARY STAFF

Rincon can be proud of its fine library and the job that the Library Staff does. The Staff is responsible for the care of the thousands of books in the library. The librarians guide students in proper use of the available facilities.

The members of the Library Staff are, from left to right: Jesse Lundy, Marguerite Pasquale, Thelma Bullock, Karen Bademian, and Dolores Powdrill.

NURSES

Mrs. Julia Cress and Mrs. Anna Nord are always on hand to aid students who have minor aches and pains. Their well-equipped office is swamped daily with students.

POLICEMAN

Mr. Otis Knuckles, our night patrolman, begins his job of guarding the R.H.S. campus each night starting at 6:00 P.M. This smiling gentleman may also be found at Ranger sports events.

BOOKSTORE STAFF

Mr. Art and his staff sell books and supplies daily in our fine bookstore. Among many other responsibilities, they keep accounts for many clubs on the

R.H.S. campus. From the left they are Mr. and Dorthea Moore, Sandra Edmiston, Erna Kiede, and Louis Brattain.

REGISTRAR SECRETARIES

Working in the Registrar's office are from left to right Harriet German, Fern Garis, Haze [unclear], Floy Brannan, and Juana Hersey

The secretary at Rincon High School has a very specialized job. Aside from the usual work done in an office, she has many other duties.

The Principal's and Dean's secretaries handle student body announcements and help to co-ordinate student body and administration ideas and plans. They handle numerous student records and files and keep track of student discipline cases.

The Registrar's Office keeps complete and accurate student records and encourages good relationships between parents, students, counselors, and teachers.

The Attendance secretaries keep daily records of attendance for all students. Their records must be accurate and positive at all times.

The Switchboard secretaries are kept busy with handling all calls to and from Rincon each day.

ATTENDANCE SECRETARIES

Keeping track of student attendance are Dorothy Riegert, Jean Riesler, Dorothy Mahacek, Elizabeth Johnston, and Mary Schmidt

SENIOR CLASS OFFICERS

As Seniors, the class of '62 had another tremendous year. With Larry Wooster directing affairs, they began making plans for the Senior Paper, Parade, and the Leep early in the year. Among such activities as publishing the Senior Bulletin, planning the Senior Fete, and organizing graduation activities, they also sponsored the Senior Day Procession and a mixer early in the year.

Being the first graduating class to attend Ricon High School for four years, the Class of '62 made their last year a memorable one in the history of the school.

JUNIOR CLASS OFFICERS

Under the sponsorship of Miss Wong and Mr. Ledesma, the Junior Class rounded out a very successful year. Interest and enthusiasm reigned high in the Class of '63 as Juniors actively participated in varied activities throughout the year. In the fall, they sponsored a mixer after the Mesa football game and later in the year sold shares for the American Field Service. The highlight of the year came on April 28 with the memorable Junior Prom "Oriental Fantasy."

SOPHOMORE CLASS OFFICERS

The Sophomore Class, in their second year at Rincon, continued to maintain the outstanding school spirit shown in their first year. They sponsored a successful sock hop which was climaxed by the awarding of prizes for the most original costumes and the annual Sophomore Cotillion. Under the leadership of President Culver White, and Sponsors Miss Lackie and Mr. Acosta, the Sophomores strove towards making their class one of the most active.

FRESHMEN CLASS OFFICERS

The Freshman Class began their year with the election of class officers. Roland Arellano was elected President. Bill Andre was chosen as Vice-President and Gwen Gunderson as Secretary-Treasurer. Advisory Board activities centered around planning the Freshman Dance in May. Being the largest class at Rincon with over a thousand members would appear to pose a problem; however, the unity displayed in their first year indicates the success of the Class of '65 in the future.

President — ROLAND ARELLANO

Vice President — BILL ANDRE

Secretary — GWEN GUNDERSON

CLUBS AND ORGANIZATIONS

Working on the **Rawhide** is an enriching, rewarding experience for interested journalists who are willing enough to accept the worries and work of meeting deadlines, along with the fun and lasting friendships made as a result of yearbook service.

New staff members, at first bewildered by the busy bustle of "old-timers," soon find the area of work to which they are best suited, and are assigned tasks which may vary from running errands to voting on an appropriate cover design; but chiefly, their job is to help with the design and layout of each page of the **Rawhide**. Editors and advisors, as well, must be persons of varied talents who are willing to work long hours and resolve difficult problems to bring the **Rawhide** to you.

Every other Friday, the morning and afternoon session students eagerly await their **Echo** containing informative editorial articles, interesting interviews, and well written sports features.

Our **Echo** would not pull through each hectic year without the outstanding leadership of Miss Dorothy Kalil, who teaches staff members not only to write originally and creatively, but to work together to make our **Echo** the best.

Quill and Scroll, the national journalism honorary, recognizes the outstanding journalistic work of high school students.

To be eligible for membership in Quill and Scroll, journalism students must be of junior standing, have at least ninety column inches of copy or the equivalent in a school publication, and rank scholastically in the upper third of their class.

TEEN CITIZEN

The job of each Teen Citizen reporter is to report the news and events of his school to the **Tucson Daily Citizen**, Tucson's evening newspaper. During the week, these reporters must report and write up interesting news items, and supervise accompanying pictures, if necessary.

On Saturday, editors and reporters meet at the office building of the **Citizen** to arrange the articles on the pages allotted them. Rincon should be grateful to the R H S. reporters for the fine job they have done this year.

GIRLS' AND BOYS' STATE

Row 1: Janet Ide, Julie Lauer, Carol Lacy, and Mary McKee. Row 2: Mike Manning, Mike Armstrong, Bob Jack, Victor Lee, and Bill Bravle.

During the second semester each year, the faculty is asked to pick outstanding students as delegates to Girl's and Boy's State. The students assemble for a week, girls at the University of Arizona and the boys at Flagstaff, to learn about government, and actually participate by proposing bills and states, and electing officials. In this way, and through association with government officials, they learn the fundamentals of government, and gain a greater appreciation of our political system.

ANYTOWN

From left to right: Darrel Brasch, Marvin Berg, Carol Goldbaum, and Roberta Wright.

Each summer in Prescott, delegates attend Anytown, a workshop in human relations. The delegates divide into groups for the one week, and discuss different cultures and religions, and the problems involved in living and working together harmoniously. Delegates have an opportunity to meet many people of different backgrounds, and to discuss controversial subjects and local problems.

After these students return home they speak to individuals and groups about the importance of a united world with due respect to all races, religions, and cultures.

ART HONOR SOCIETY

Students who excel in art are eligible for membership in Rincon's chapter of the Art Honor Society. Club members and their sponsors, Mr. Meyer and Miss Misto, often attend local art exhibitions and shows. Members also participate in field trips and listen to guest speakers discuss and answer questions about different forms of art.

AMERICAN FIELD SERVICE

The American Field Service Club, better known as the A.F.S., has one main purpose—to promote the exchange of foreign students. Every year Rincon sends students to different parts of the world with the money raised by the A.F.S. Their fund raising projects include sale of the usual exchange student stock shares, and the traditional faculty senior basketball game.

Without this worthwhile club, we would probably be unable to send Eva Jo Molloy, David Coleman, Larry Bradley, and Mike Price to distant lands, or to have Jorgen Dalgaard and Zarrin Golwalia become important members of our student body.

The Rincon High Benjamin Franklin Printing Club was named the nation's outstanding chapter of the year by the Society's headquarters in New York.

Members of the Printing Club perform various services, including the printing of pep cards, play programs, tickets and programs for our school dances, and other miscellaneous printing jobs for school and civic organizations.

To become a member of this select and talented group, a student must be enrolled in an advanced printing class. Mr. Tassi is the sponsor of Rincon's Printing Club.

JUNIOR HI-Y

The Junior Hi-Y had an active schedule this year. A Christmas hayride and Basketball Tournament were among some of the filled events sponsored by the club. The Club was represented at model and pre-model legislature by members Eddie Benert, Steve Savlov, and Nick Henry, who represented the club in the office nominations.

JUNIOR TRI-HI-Y

Divided into three groups this past year, the Junior Tri-Hi-Y contributed their share of help to the Tucson community by helping those not so fortunate to help themselves.

One group visited rest homes to bring youthful cheer to elderly men and women, while another division delivered gifts and food to an needy family at Christmas time. The last group offered their services as candy strippers at the Tucson Medical Center.

SOPHOMORE TRI-HI-Y

After being initiated into Tri Hi Y, the 100 sophomore members put on a fund-raising carnival at the Lighthouse Y. With the money they earned, Christmas money and gifts were bought for four needy families.

Through Tri Hi Y, these girls learned to work together and make themselves assets to the community and to their families.

SOPHOMORE HI-Y

The Sophomore Hi-Y, after being initiated, did many worthwhile things including the sponsoring of a bill in model legislature to aid the community with a charity drive, sponsoring a dance in conjunction with the Sophomore Tri-Hi-Y girls.

These boys and their advisors, Bob Garis and Warren Hedding, combined their many talents to complete the most successful year yet.

Following after the final basketball game of the season the Lettermen's Court and Attendants were announced.

GIRLS' LEAGUE

All Rincon girls are either active or inactive members of Girls' League, the service organization which, among other things decides on slogans for the spirit cards. At the beginning of each year, Girls' League presents the annual Senior Fashion show, with senior girls modeling clothes from Tucson stores. Every year a deserving senior girl is chosen to receive a Girls' League scholarship, for use at the college of her choice.

Acting as sponsors of Girls' League were Mrs. Elizabeth Lange, and Miss June Holcombe.

It is each monitor's duty to report to the office, persons who have no authorization to be in Rincon's halls, and to prevent students from leaving school while it is in session. Mr. Johnson serves as sponsor of the Hall Monitors.

HOMEROOM REPRESENTATIVES

Elected by their homeroom class members, the Homeroom Representatives meet once a week to discuss problems brought up in their homerooms or brought up by members of the faculty. The Homeroom Representatives are responsible for discussing the minutes of each meeting with their homeroom classes. Several food and clothing drives are organized yearly by the Homeroom Representatives. Mr. Phillips is the sponsor of this group.

The Junior Red Cross aided the national organization in carrying out the annual Red Cross Drive. In each homeroom, the representative collected contributions and presented contributors with an official Red Cross membership card and a pin.

NURSES CLUB

The Future Nurses Club functions to prepare members for careers in nursing. During the year, club members visit hospitals and work as aides, doing miscellaneous jobs for the hospital staff.

The art of judo teaches methods of self-defense. Although it is similar to wrestling, it depends more on skill and knowledge of the body's weak spots, than on weight and strength as wrestling does. Mr. Smith, sponsor of the Judo Club since its organization last year, has diligently coached the boys on this age old art.

The Thespians, under the direction of Jack Frakes, staged three highly acclaimed productions this year. In an attempt to present a variation of Drama types for their audience, their first production was the hilarious comedy, "Our Hearts Were Young and Gay." They moved next to the exceptional theatricalism of "Sally Cross," an original by Mr. Frakes, and ended the season with the Pulitzer Prize winning realism of "Look Homeward Angel." All three were high accredits for the Fine Arts Program and the participating students.

SPORTS

FOOTBALL

Rated at the bottom of the Division 4-AA conference poll at the beginning of the year, the Rincon Rangers fought their way to a second-place standing in the city. The Ranger eleven, under the leadership of head coach Bill Lovin, line coach, Andy Runic, and back field coach, Oscar Carrillo, opened their season with a smashing 27-6 win over the Amphi Panthers in the initiation of our new stadium. The squad then went on to trounce Salpointe and Glendale, and, in the most thrilling game of the season, our powerful eastside rival, Catalina 14-12.

The Rangers then fell into a five-game losing streak suffering defeats at the hands of Pueblo, Catalina, Carl Hayden, and Mesa. Although the final score of the Mesa game showed a loss, it left Lovin's boys with the knowledge that they had played a harder game, and had come closer scorewise to Mesa than any other team. In the last game, the Rangers snapped the losing streak, and ended the season with a second victory over Sunnyslope and a 5-5 season slate.

But in the end, Les Brown's game plan is not the strength of the Amphi line.

Sparked by the pinpoint accuracy of quarterback Mike Armstrong's passing, the scrappy but inexperienced **Rangers** defeated the new Kinnick stadium with a victory, upsetting the **Amphi Panthers** in the season opener, 26-7. Ranger Mike Manning led the first score for Ranger in a 14 play, 5 yard drive. Other Ranger T.D.'s were scored by Armstrong and Ratch.

Salpointe takes a field goal in the final seconds.

Scoreless during the first three quarters was the contest between the **Salpointe Lancers** and the **Rangers**. Mounting tension finally broke in the final few seconds of the game when a 34-yard pass from Ranger Mike Armstrong to rocky end **Pat Jones** gave Ranger the game with a 6-0 score.

As had been the case in previous Ranger victories, the stalwart forward line was the deciding factor in the 27-6 upset over **Glendale**. However, at half-time Coach Lovin's usually snappy backfield unit found themselves three yards in the hole, but still held a 14-0 lead. Because of the coordination between Armstrong and Jones, two touchdowns were made in the second half to end the Ranger scoring and the game.

Picked by the local AA coaches to win the conference, Rincon chalked up its fourth straight win over Catalina, before a crowd of nearly 8,000 to maintain a lead on the conference lead. Hard-running halfback Mike Manning scored both Rincon tallies, quarterback Mike Armstrong booted both conversions, and defensive ace Tommy Norville blocked both Catalina conversion attempts to spice the action. The hard-charging Rincon line headed by Bob Orr, Doug Forte, Mike Hess and Jim Brogdon kept pressure on Catalina in the second half to settle for the one touchdown favorites. The Trojans were season favorites for the football flag, dominated the statistics throughout the game. But it was the husky line of Rincon that stifled Catalina on crucial plays and won the game 14-12.

Facing the team that was to go on to become the top team in the state, the **Rincon Rangers** with a 4-0 slate lost a hard-fought contest to the **Pueblo Warriors**. This game won by the Warriors 27-6 pushed Rincon down to second place, holding a 3-1 conference record at that time

In the hardest fought and best-played game in Rincon's season, the **Rangers** won a moral victory over the **Mesa Jackrabbits**, though lost the game 7-13. The Purple and White defensive unit held the Jackrabbits to the lowest score they had received all year, and our offense gave them a threatening battle.

To wind up the season, the **Rangers** smothered **Sunnyslope** 19 to 7. The first score was set up by Armstrong who completed a six-yard pass to Alden. Mike Manning scored the other two touchdowns, and the team picked to finish at the bottom of the pile ended up with a respectable 5-5 season record.

The Rincon Junior Varsity football squad, under the able coaching of Wayne Swoveland and Jim Davis compiled a victorious season boasting a 7-1-1 record. The Rangers shut out Amphi, Salpointe, Pueblo, and Douglas, tied Catalina, and tasted defeat only at the hands of long-time foe Tucson High. With a hard-playing team like our Jayvees, next year's varsity team should be a strong competitor for city and state standings.

The Rincon Frosh Purple football team chalked up 5 wins to only 2 losses and 1 tie in the '61 season. Under the direction of Coach Joseph Rosbeck, the Purples fought their way over Salpointe, Flowing Wells, Amphi, Sunnyside (B), and our own Rincon White team. The Frosh tied Pueblo, and tasted bitter defeat only at the hands of Tucson High and Catalina. These young football players have not only tucked away an outstanding season, but also valuable experience for the future.

With plenty of drive and desire to learn, the Ranger Whites flogged Sunnyside, Salpointe, Amphi, Catalina, and Flowing Wells. They were thwarted by Tucson High, Pueblo, and the Rincon Frosh Purple. After heeding well the instruction they received on football plays, rules, and tactics, these freshman will find places on both the Jayvee and Varsity teams in the future.

BASKETBALL

The Rincon basketball squad coached by Dick King, compiled a 10-8 season record in spite of having only four returning lettermen. The '61-'62 slate began victoriously when the Rangers sink Sunnyside 48-45. After losing the second game to Tucson 34-41 Rincon bounced back to edge past Yuma 47-45 and Salpointe 38-36. Boosting its record to 4-1, the Ranger team trounced Phoenix Union 54-44. Rincon then lost its next two games to Pueblo 38-41 and Amphi 35-41.

The following two games against Carl Hayden and Catalina were won by the Rangers with scores of 46-42 and 51-47. Then the Rincon team was downed by Phoenix Central, Tucson, and Salpointe before smashing St. Mary's 53-45. These were followed by a loss to Pueblo, victories over Camelback and Amphi, and a defeat by Washington. The season was brought to an exciting close as the Rangers tromped the Catalina Trojans 50-43.

With the help of Ranger high-scorers Bob Jackson and Jim Kellogg, the Purple and White opened a 10-8 season by deterring the hopeful Sunnyside roundballers in a close 48-45 battle. Given the most resistance by Devil ace Gary Childs, the Ranger quintet pulled through a 43-point tie with only two minutes to spare.

Suffering their first loss of the season, the Rangers were crushed by the powerful Badgers on Rincon ground. Tucson grabbed the game 41-34 despite the loss of benched Ray Kosanke, their 6-foot 9½-inch center.

The **Rangers** suffered their second loss of the season to the Warriors of **Pueblo**. With the score fairly even throughout the game, the Warriors finally gained and held the lead which won the game 38-41.

Again tasting discouraging defeat, our hardwood boys fought desperately, trying to break the **Amphi** winning streak. The battle between the **Rangers** and the Panthers kept the crowd sitting on the edges of the bleachers until the final buzzer sounded. The effect of this tense meeting was in **Amphi** favor 35-41.

Armstrong players over the ball.

Beat Catalina was the cry heard throughout the packed gym. And the famous Rincon five were out to do just this. Jackson, Armstrong, Kellogg, Van and Dickerson proved too much for the hopeful **Trojans**, and Catalina's strong attempt was squashed by the **Rangers** 51-47.

With a 6-3 record **Rincon** met **Phoenix Central**. Though the Rangers kept in the game the whole way, the Bobcats came out the victors. The score was 52-61.

Having met and lost to Tucson High once earlier in the season minus the Badger's star Ray Kosanke, the Rangers knew they were up against a brick wall with the big 6' 10" ballplayer back in the game. Undefeated **Tucson**, who went on to become both city and state champs, ran over the **Rincon** roundballers 51-73

The six feet ten inches of **Salpointe's** Dave Mills proved too much height for the **Rangers** in their second game with the **Lancers**. Having overcome this handicap in the first meeting, Rincon had an off-night in the second, slipping behind in the third quarter. The game ended 51-58 in the **Lancers'** favor

The **Rangers** rebounded back from a three-game losing streak in their meeting with Phoenix **St. Mary's**. Through out the game the **Rangers** kept a reigning hand, and closed the score with an eight-point lead, 53-45

Boosting the Ranger slate to eight wins was the **Camelback-Rincon** game. The game was hard-fought, with the score jumping back and forth from one team to the other. But the outcome was in favor of the big Purple — 58-55.

Following up the Camelback victory, the **Rincon** round ballers made up for a previous early-season loss to the **Panthers**. With the scoring of Kellogg and Jackson, the Rangers grabbed the Amphi game with a final score of 61-52.

A Armstrong hesitates before passing to an unguarded teammate.

Rincon's final loss of the season was handed by **Washington High School**. When Washington cut loose in the second half, our chances to catch up became slim, and the game was taken by them 51-61.

The last game of the season brought the **Rangers** face to face with their Eastside rivals, the **Catalina Trojans**, for the second time. Having been previously defeated by us, the Trojans were "out for blood." In a fast-moving game, Trojan Clive Seal paced Catalina, while Jackson and Kellogg led the Rangers. When the final buzzer sounded, Rincon held the game 50-43, winding up a 10-8 season.

What is a baseball team? Skill, experience, team work, desire, and a good coach — and in all of these the Rincon ball team rates A-plus. The Purple and White squad has demonstrated its power thus far by shutting out Sunnyside 2-0, stunning the U of A Frosh 11-7, over-running Amphi 8-3, toppling Tucson High 4-1, clouting North Phoenix 5-4, and smashing Salpointe 9-0. With the fine coaching of Lee Carey, the experienced pitching of Bob Jackson and Ken Schwartz, and the drive and desire of the whole team, the Ranger ballplayers have a strong foundation for both city and state championships.

TRACK

With the coming of Spring track swings into action. This year the Rincon cindermen are looking for a rough but prosperous season. A heavy schedule has been made for them, but the varsity trackmen, having the necessary experience and drive, should set school records in such events as throwing the shotput, hurling the discus, jumping the hurdles, the high jump and broad jump, and pole vaulting. With a host of returning lettermen, city records should be made in relay meets.

In the mile, seniors Jim West, Larry Cooper have and Ed Konrath have excellent timing and Lester Stiffler is doing 3:21 in the three mile race. Coach Cody Mothershead, assisted by coaches Williams, Swoveland and Kershner will lead the tracksters to victory.

The Rincón Varsity Wrestling team boasted a season slate of 8 victories and 5 losses. Sparked by All-State wrestler Gregg Pittman, the Rangers won six of their last seven matches. Starting slow with a loss to Mesa, the Purple and White downed Pueblo and Ben-

son, were defeated by Tucson, Catalina, and Yuma, grabbed three more wins over Benson, A.S.D.B. and Kofa, suffered a second loss to Yuma, and wound up the season by beating Sapiente twice, and smashing Glendale.

With no place to go but up, and supported by a host of returning lettermen, Coach Kline's gymnasts look for a tough but promising season. Helping the newcomers to improve the last year's 0-8 record will be one of the returning performers, Benis Wood. Benis who captured fourth place in the state gymnastics last year on the trampoline, will be trying to bounce his

way into state for the second time. Other returning gymnasts will be Dick Alfaro on the parallel bars and side horse, Eddie Groenert on the horizontal bar, and Vance Campbell in free-exercise. All will be ready and capable to strengthen the squad and make this a successful season

The Rincon Golf team, under the coaching of Oscar Carrillo, has a good start in the '62 season. The duffers have picked up 7 wins to just 2 losses in the matches they have played thus far. They ran over T.H.S. in the first match of the season. From there, they traveled to Phoenix to the Four-Way Tourney, beating Coronado, West Phoenix, and being downed by Brophy. The Rangers then clobbered Catalina and Miami, lost to the U of A Frosh, again took the Badgers, and grabbed Flowing Wells in a 9-hole match. If the rest of the season is as successful, Coach Carrillo's golfers will take a high city berth

Coach Dave Coleman

The season looks very hopeful for Coach Coleman's varsity tennis squad after bringing home three straight victories from Yuma and Pueblo. The racket swingers took the Criminals first on Rincon's courts 7-0 with Dick Johnson playing the only split set. Yuma returned on Feb. 3 for a second time only to be downed again. The Crims only managed to win one match. This was one of the season's closest matches. On Feb. 6, the Varsity and J.V. teams traveled to Pueblo for a 6-1 win. With their excellent showing so far, the Rangers should prosper well this season.

GIRLS' SPORTS

Rincon High has an excellent athletic program for girls. Under its sponsor, Miss Joan Pepper, the G.A.A. has set up a variety of sports for each season in which any girl interested may participate. In the autumn field hockey is a favorite. The girls' field hockey team this year competed against other schools, and chalked up many victories. With the onset of winter, basketball takes precedence. Girls' basketball, though the rules are different from boys' basketball, is just as much fun and exciting. Badminton, tennis, and archery have also been competitive sports in which Rincon has participated. The girls' spring sports are softball, golf, gymnastics, and track and field.

Three Rincon students, Peggy Cox, Jewel Danielson, and Donna Rice hold a national record for high school girls in the 440-yard dash relay. The girls' volleyball team placed third in the city. Cathy Blumenstetter placed second in the Catalina Invitational Archery Tournament.

Members of G.A.A. are awarded letters on a point system — 50 points for a minor letter and 100 points for a major letter.

Lois DuBois

The Rincon Girls' Tennis team is off to a great start in the '62 season. Winning their first three meets over Yuma 7-0, 7-0, and Pueblo 6-1, they have suffered only one defeat by Casa Grande 4-3. Under the guidance of Miss Lois DuBois, the Tennis team should boast a victorious season.

On Saturday, January 20, 1962, ingenious Seniors turned the Rincon cafeteria into a literal paradise for the long-awaited Senior Prom. Working long hours to create the enchanting illusion of "Paradise Deep" the upper classmen provided a gala evening for all in attendance. After floating to the dreamy music provided by the Bro : Fortman Orchestra, captivated couples drifted on to after-prom activities. The entertaining movie, "Bells Are Ringing" continued in the spirit of gaiety as did the breakfast which followed at the Ramada Inn. Tired but happy, Promers returned home never to forget their memorable Senior Prom.

Rodeo Week brought with it the return of the Old West as Rincon students turned to their western wear and swaggering gait in that time of year when Arizona's past is relived. Wednesday night, Lettermen created the authenticity of an old western barn with piles of straw spread throughout. The Rodeo Queen was crowned as the crowd's anticipation came to a close. The evening also ended the beard-growing contest much to the pleasure of many young be les. Thursday morning, the Royal Rincon Rangers Marching Band and Pep Squad proudly represented Rincon in the annual Fiesta de los Vaqueros parade.

Honey Hunt Week

The Girls' League hosted the long awaited Twirp Week, this year under the name of The Honey Hunt. The boys were unsuccessful in avoiding their fate as turn-about-week began. An all girl assembly held on Monday informed them of the week's happenings. On Tuesday laughs were provided for all by the boys' fashion show and Senior Girls vs. the Faculty basketball game. Knees were the chief occupation of the day on Wednesday when even the boys joined in on enjoying the one day bermudas could be worn to school. Hush Day was one of agony for every girl as she was forced to remain quiet for the entire day. Friday ended the week of merriment with the Mardi Gras Ball when the King was crowned

Important plans are made for the Junior Prom

Senior Eugene Owen is measured for his cap and gown

As this school year draws to a close, the 1962 RAWHIDE becomes a reality.

It has been a rewarding experience for me to watch the book grow from the hopes, dreams, and ideas of a few to a finished product--a book in which we, as a staff, have tried to capture moments you will want to remember and experiences you will wish to relive.

We began optimistically, only to find out that it is no easy job, this business of putting out a yearbook. The glue-stained tables down in J-3 bear witness to countless nights spent in pasting pictures and copy, making layouts, and, in off moments, reading poetry to Manny and the boys.

There were times when I thought we'd never finish, but we have, because someone was always ready and willing to give another hour of time, another word of encouragement, and an abundance of enthusiasm!

It is to the administration, faculty, student body, and most of all, to the sponsor and staff of the 1962 RAWHIDE, that I express my gratitude for making this book possible. It's been exciting for me to work with you. The bouquets are yours.

Qx's seen from
knowing you this year. I
hope that what ever
you go after you get
that good thing. That
is all!!
